I started working with 2nd Helpin Catering when my daughter got married five years ago. Davey and Marilyn Owens and their entire staff were very good to work with and very professional. From our first meeting, to the wedding reception, 2nd Helpin Catering was very helpful with helping us plan out a menu and took into consideration some of the bride and grooms favorite foods. Everything went so smoothly and with everything else to think about while planning a wedding, it was so nice not to have to worry about the food at all. I put it in the hands of 2nd Helpin Catering and they did not disappoint. When my son got married this past December, there was no question in my mind who we would call to cater his wedding reception. Again, 2nd Helpin Catering did a fabulous job and we enjoyed working with them just as much this time as we did when my daughter got married. I will definitely be using 2nd Helpin Catering again in the future!

Sincerely,

Vicky Burton
