Our baseball park has had the privilege to work with Davey Owens, and his business, 2nd Helpin' Catering, LLC in coordinating fundraising efforts to support our baseball park on several occasions.

Davey is always very professional when it comes to dealing with his customers, from establishing the fundraising plan, keeping you informed via written communication, providing ticket order forms, printed tickets, and an alphabetized listing of customers. When the time came for our participants to pick up their freshly smoked Boston Butts, Davey coordinated the parking lot area in such a way to make it easy for folks to drive through and pick-up their purchase and be on their way.

It was not difficult for us to sell our Boston Butt tickets, because everyone knows Davey, and they know what a great cook he is. We have already had folks ask when we are doing another fundraiser...it's just that good!

I would recommend using Davey for all your smoking/cooking/fundraising needs. You will earn profit for your business or organization, but at the same time, you will have the benefit of working with a First Class gentleman.

Sincerely,

Lisa Snyder
